Trading stocks, options, or futures carries a high level of risk, and may not be suitable for all investors. Before deciding to trade, you should carefully consider your objectives, financial situation, needs and level of experience. CastAway Trader LLC provides general overview of trading methods that does not take into account your objectives, financial situation or needs. The content of this video course or website www.castawaytrader.com must not be construed as personal advice.

You should be aware of all the risks associated with trading. You should seek advice from an independent financial advisor.

An investor could potentially lose all or more than the initial investment. You should not speculate with capital that you cannot afford to lose. Only risk capital should be used for trading and only those with sufficient risk capital should consider trading. Risk capital is money that can be lost without jeopardizing ones' financial security or life style.
